

SCHOLARSHIP & FUNERAL BENEFIT CHANGES

Shee Atiká, Incorporated would like to inform our shareholders of the recent modifications that have been made to our Scholarship and Funeral Benefit programs. All changes will be effective for the 2014/2015 Academic Year, which runs from August 2014 through July 2015.

There will be only ONE scholarship application deadline per academic year. The 2014 deadline for ALL scholarship applications will be Friday March 14th by 5pm Alaska time. Please be sure to submit your scholarship application along with ALL required documents prior to the deadline. Incomplete applications will not be considered.

The academic scholarship program is available to Class A shareholders seeking to become full or part-time students enrolled in an accredited institution, vocational/technical training program, or cultural & heritage study. Eligible shareholders will continue to be encouraged to find additional financial resources to help fund their education.

Award Amount

The yearly maximum for all scholarship award types (undergraduate, graduate, and vocational) will be \$2,400 per recipient. Graduate level awards will be apportioned based on the customary practice at their institution at a maximum award amount of \$2,400. The lifetime award amount per shareholder is \$19,200.

Eligibility

Scholarship applicants must be Class A (Alaska Native with voting rights) Shee Atiká, Incorporated shareholders in order to be eligible for scholarship awards.

You must have a high school diploma or GED to be considered for an award. While need and academic background may be taken into consideration, other factors may be more important in the committee's evaluation, such as your personal goals and your commitment to succeed. Please be advised that if your current GPA is less than 2.0 you may be placed on academic probation.

Current Recipients

Those students that have already been awarded for the 2013/2014 academic year and those students that will be awarded at the March 14th deadline for the 2014 summer term will be grandfathered at 2013/2014 award amounts.

Eliminations

Shee Atiká, Incorporated will no longer offer scholarships for the following programs: Concentrated Vocational/Technical, Career Development, College Preparatory, and Sitka Fine Arts Camp.

Funeral Benefits
