SHEE ATIKÁ HONORS ELDERS BY CELEBRATING 40 YEARS OF INCORPORATION

Shee Atiká, Incorporated

Please help us celebrate 40 years!

Shee Atiká Board of Directors

Celebrating 40 Years of Incorporation

The Shee Atiká, Incorporated Board of Directors is pleased to provide this small token to the shareholders in recognition of our successful 40 year history. This company has survived some extremely difficult times that essentially closed other Native corporations.

In keeping with our culture and tradition it is only fitting to honor and recognize our elders, the founding directors of this company: Ethel L. Staton, Robert F. Carroll, and Herman Kitka, Sr. Because of them, we have been able to provide the shareholders about 60 million dollars in distributions, education and funeral benefits. Additionally, we have established a well funded trust account that potentially will continue to provide distributions into the future. None of this would have occurred or be available to our shareholders without those three founding directors that had a vision to promote our culture and our past and future generations of shareholders. Indeed, we have a vision of the future because we stand on the strong shoulders of our founding directors.

SCHOLARSHIP RECIPIENT AWARDED “ALASKA HEART INSTITUTE UNDERGRADUATE RESEARCH FOR FELLOWSHIP”

Shee Atiká shareholder Charles Benson is a senior at the University of Alaska Anchorage (UAA) and a current recipient of the Shee Atiká Benefits Trust scholarship program. He is currently pursuing his Bachelor's degree in Biochemistry with a minor in Mathematics and plans to graduate in May 2014.

Charlie was recently awarded by the University of Alaska Honors College (Office of Undergraduate Research), the Alaska Heart Institute Undergraduate Research Fellowship for “Investigating the Anti-Inflammatory Properties of Devil's Club.” He was also selected this past summer for an ANSIP (Alaska Native Summer Internship Program) to conduct research as part of the National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK) summer program. As part of his internship, he attended the NIDDK STEP-UP Undergraduate Research Symposium in August in Bethesda, Maryland and had the honor of giving a speech regarding his research and findings of the anti-inflammatory properties of Devil's Club.

After graduating from UAA with his BS in Biochemistry, Charlie plans to further his education and pursue a PhD in Biochemistry.

Charlie is the son of Dennis Benson and the grandson of Eleanor (Dick) Benson of Ketchikan.

SHEE ATIKÁ MISSION STATEMENT
